

# BOARDWALK

20" x 20" Field Tile  
13" x 13" Modular  
3 1/4" x 6 1/2" Modular

Floor & Wall: Glazed Porcelain Stoneware

Boardwalk BG, Boardwalk GR, Boardwalk MC

Abrasion Resistance: Class IV – Tile in this class may withstand heavier amounts of traffic with greater amounts of dirt and/or other abrasives present, including commercial kitchens and areas with regular traffic from the outside. See Coefficient of Friction and Frost Resistance for installation-specific details.

The view from **BOARDWALK** is one of exquisite beauty – airy lightness, undulating waves, sandy expanses. Captured in large-scale glazed porcelain formats, these intricacies of nature transform everyday residential and commercial venues into extraordinary visual experiences which require only minimal care.

Soothing shades of beige, grey, rust and gold sweep across slightly granular, ADA-compliant surfaces, replicating the sedimentary layers found in natural sandstone. Seamless transitions from floors to walls, from indoor to outdoor living areas, from contemporary to classic decors are easy with these versatile elements.

Mosaics in square and brick patterns vastly expand possible design configurations. Install full-sized pieces alone or in conjunction with field tile; cut them apart to create inserts or listelli; use segments to showcase special areas and focus attention. Couple the mosaics with single bullnose for a stunning finish.
